Re: Federal Register Notice on Additional Competitive Post Office Box Service  
Locations

Dear Ms. Barker:

The Postal Service today published a Federal Register notice requesting comments on the planned reassignment of 237 Post Office Box service locations from market-dominant to competitive classification, in accordance with the process approved by the Postal Regulatory Commission in Docket No. MC2011-25.<sup>1</sup> The Postal Service previously effectuated reassignments in this manner in 2013 and 2014.<sup>2</sup>

The Postal Service confirms that the 237 locations listed in today's Federal Register notice meet the criteria that the Commission approved in Docket No. MC2011-25 for determining competitive status. The Federal Register notice is available at the following link:
